INC.'S ANSWER AND AFFIRMATIVE
DEFENSES AND DEMAND FOR
TRIAL BY JURY**

Defendants C. R. Bard, Inc. (“Bard”) and Bard Peripheral Vascular, Inc. (“BPV”) (Bard and BPV are collectively “Defendants”) answer the Complaint (“Plaintiff’s Complaint”) of Plaintiff William Owens, Jr. (“Plaintiff”) as follows:

INTRODUCTORY ALLEGATIONS

1. Defendants are without knowledge or information sufficient to form a belief as to the truth of the allegations contained in Paragraph 1 of Plaintiff’s Complaint regarding either the residency and citizenship of Plaintiff or the trade name of any inferior vena cava filter implanted in Plaintiff and, and, on that basis, deny them. Defendants deny the remaining allegations contained in Paragraph 1 of Plaintiff’s Complaint.

2. Defendants admit that Bard is a foreign Corporation and that Bard is authorized to do business, and does business, in the State of New Mexico, including San Juan County. Defendants admit that Bard owns a facility where vena cava filters are manufactured. Defendants deny any remaining allegations contained in Paragraph 2 of Plaintiff’s Complaint.

3. Defendants admit that BPV is a foreign Corporation and that BPV is authorized to do business, and does business, in the State of New Mexico, including San Juan County. Defendants further admit that BPV designs, sells, markets, and distributes inferior vena cava filters. Defendants further admit that BPV is a wholly owned subsidiary of Bard. Defendants deny any remaining allegations contained in Paragraph 3 of Plaintiff’s Complaint.

4. The allegations of Paragraph 4 of Plaintiff’s Complaint contain no factual allegations and, as a result, require no response by Defendants. However, to the extent Paragraph 4 purports to cast liability either directly or indirectly upon Defendants, said Paragraph is expressly denied.

JURISDICTION AND VENUE

5. Regarding Paragraph 5 of Plaintiff’s Complaint, Defendants do not contest that the injuries and damages alleged within Plaintiff’s Complaint exceed the jurisdictional limit of this Court. However, Defendants deny that they are liable to Plaintiff for any amount whatsoever and deny that Plaintiff has suffered any damages whatsoever. Defendants do not

1 dispute that, based on the facts as alleged by Plaintiff, which have not been, and could not
 2 have been confirmed by Defendants, jurisdiction appears to be proper in the United States
 3 District Court for the District of New Mexico.

4 6. Regarding Paragraph 6 of Plaintiff's Complaint, Defendants do not dispute that,
 5 based on the facts as alleged by Plaintiff, which have not been and could not have been
 6 confirmed by Defendants, venue appears to be proper in the United States District Court for
 7 the District of New Mexico.

8 **GENERAL FACTUAL ALLEGATIONS**

 19 from the lower regions of the body and delivers it to the right atrium of the heart. Defendants

 21 human health, including sometimes death. Defendants deny any remaining allegations of

 27
 28

1 contained in Paragraph 10 of Plaintiff's Complaint are conclusions of law, to which no
2 response is required. To the extent a response is required, Defendants deny those allegations.

3 11. Defendants deny the allegations contained in Paragraph 11 of Plaintiff's
4 Complaint.

5 12. Defendants admit that patients at a high risk for developing deep vein
6 thrombosis and pulmonary embolism are frequently treated with anticoagulation therapy,
7 including but not limited to the medications listed in Paragraph 12 of Plaintiff's Complaint.
8 Defendants further admit that inferior vena cava filters may also be used to treat patients who
9 are at a high risk for developing deep vein thrombosis and pulmonary embolism. Defendants

24 Complaint.

25 144. Defendants deny the allegations contained in Paragraph 144 of Plaintiff's
26 Complaint.

146. Defendants deny the allegations contained in Paragraph 146 of Plaintiff's Complaint.

147. Defendants deny the allegations contained in Paragraph 147 of Plaintiff's Complaint.

148. Defendants deny the allegations contained in Paragraph 148 of Plaintiff's Complaint.

149. Defendants deny the allegations contained in Paragraph 149 of Plaintiff's Complaint.

150. Defendants deny the allegations contained in Paragraph 150 of Plaintiff's Complaint.

151. Defendants deny the allegations contained in Paragraph 151 of Plaintiff's Complaint.

152. Defendants deny the allegations contained in Paragraph 152 of Plaintiff's Complaint.

153. Defendants deny the allegations contained in Paragraph 153 of Plaintiff's Complaint.

PRAYER FOR RELIEF

Furthermore, responding to the unnumbered Paragraph, including sub-parts, following the heading "PRAYER FOR RELIEF" and beginning "WHEREFORE," Defendants deny the allegations contained in such Paragraph and all sub-parts thereof.

Defendants further deny each and every allegation not specifically admitted herein.

DEFENSES

Defendants allege as affirmative defenses the following:

1 1. Plaintiff's Complaint filed herein fails to state a claim or claims upon which
2 relief can be granted under Rule 12 of the Federal Rules of Civil Procedure.

3 2. The sole proximate cause of Plaintiff's damages, if any were sustained, was the
4 negligence of a person or persons or entity for whose acts or omissions Defendants were and
5 are in no way liable.

6 3. Plaintiff's claims are barred, in whole or in part, by the applicable statutes of
7 limitations and/or statute of repose.

8 4. If Plaintiff has been damaged, which Defendants deny, any recovery by
9 Plaintiff is barred to the extent Plaintiff voluntarily exposed herself to a known risk and/or
10 failed to mitigate her alleged damages. To the extent Plaintiff has failed to mitigate her
11 alleged damages, any recovery shall not include alleged damages that could have been
12 avoided by reasonable care and diligence.

13 5. If Plaintiff has been damaged, which Defendants deny, such damages were
14 caused by the negligence or fault of Plaintiff.

15 6. If Plaintiff has been damaged, which Defendants deny, such damages were
16 caused by the negligence or fault of persons and/or entities for whose conduct Defendants are
17 not legally responsible.

18 7. The conduct of Defendants and the subject product at all times conformed to
19 the Federal Food, Drug and Cosmetics Act, 21 U.S.C. § 301, *et seq.*, and other pertinent
20 federal statutes and regulations. Accordingly, Plaintiff's claims are barred, in whole or in
21 part, under the doctrine of federal preemption, and granting the relief requested would
22 impermissibly infringe upon and conflict with federal laws, regulations, and policies in
23 violation of the Supremacy Clause of the United States Constitution.

24 8. If Plaintiff has been damaged, which Defendants deny, such damages were
25 caused by unforeseeable, independent, intervening, and/or superseding events for which
26 Defendants are not legally responsible.

1 9. There was no defect in the product at issue with the result that Plaintiff is not
2 entitled to recover against Defendants in this cause.

3 10. If there were any defect in the products – and Defendants deny that there were
4 any defects – nevertheless, there was no causal connection between any alleged defect and
5 the product on the one hand and any damage to Plaintiff on the other with the result that
6 Plaintiff is not entitled to recover against Defendants in this cause.

7 11. Plaintiff's injuries, losses or damages, if any, were caused by or contributed to
8 by other persons or entities that are severally liable for all or part of Plaintiff's alleged
9 injuries, losses or damages. If Defendants are held liable to Plaintiff, which liability is
10 specifically denied, Defendants are entitled to contribution, set-off, and/or indemnification,
11 either in whole or in part, from all persons or entities whose negligence or fault proximately
12 caused or contributed to cause Plaintiff's alleged damages.

13 12. Plaintiff's claims are barred to the extent that the injuries alleged in the
14 Plaintiff's Complaint were caused by the abuse, misuse, abnormal use, or use of the product
15 at issue in a manner not intended by Defendants and over which Defendants had no control.

16 13. Plaintiff's claims are barred to the extent that the injuries alleged in the
17 Plaintiff's Complaint were caused by a substantial change in the product after leaving the
18 possession, custody, and control of Defendants.

19 14. Plaintiff's breach of warranty claims are barred because: (1) Defendants did not
20 make any warranties, express or implied, to Plaintiff; (2) there was a lack of privity between
21 Defendants and Plaintiff; and (3) notice of an alleged breach was not given to the seller or
22 Defendants.

23 15. Plaintiff's claims for breach of implied warranty must fail because the product
24 was not used for its ordinary purpose.

25 16. Defendants neither had nor breached any alleged duty to warn with respect to
26 the product, with the result that Plaintiff is not entitled to recover in this cause.

1 17. Plaintiff's claims are barred by Defendants' dissemination of legally adequate
2 warnings and instructions to learned intermediaries.

3 18. At all relevant times, herein, Plaintiff's physicians were in the position of
4 sophisticated purchasers, fully knowledgeable and informed with respect to the risks and
5 benefits of the subject product.

6 19. If Plaintiff has been damaged, which Defendants deny, the actions of persons or
7 entities for whose conduct Defendants are not legally responsible and the independent
8 knowledge of these persons or entities of the risks inherent in the use of the product and other
9 independent causes, constitute an intervening and superseding cause of Plaintiff's alleged
10 damages.

11 20. To the extent that injuries and damages sustained by Plaintiff, as alleged in
12 Plaintiff's Complaint, were caused directly, solely, and proximately by sensitivities, medical
13 conditions, and idiosyncrasies peculiar to Plaintiff not found in the general public, they were
14 unknown, unknowable, or not reasonably foreseeable to Defendants.

15 21. Defendants believe, and upon that ground allege, that Plaintiff was advised of
16 the risks associated with the matters alleged in Plaintiff's Complaint and knowingly and
17 voluntarily assumed them. Pursuant to the doctrine of assumption of the risk, informed
18 consent, release, waiver, or comparative fault, this conduct bars in whole or in part the
19 damages that Plaintiff seeks to recover herein.

20 22. At all relevant times during which the device at issue was designed, developed,
21 manufactured, and sold, the device was reasonably safe and reasonably fit for its intended
22 use, was not defective or unreasonably dangerous, and was accompanied by proper warnings,
23 information, and instructions, all pursuant to generally recognized prevailing industry
24 standards and state-of-the-art in existence at the time.

25 23. Plaintiff's claims are barred because Plaintiff suffered no injury or damages as a
26 result of the alleged conduct and do not have any right, standing, or competency to maintain
27 claims for damages or other relief.
28

1 24. Plaintiff's claims are barred, in whole or in part, by the doctrines of waiver,
2 estoppel, and/or laches.

3 25. If Plaintiff suffered any damages or injuries, which is denied, Defendants state
4 that Plaintiff's recovery is barred, in whole or in part, or subject to reduction, under the
5 doctrines of contributory and/or comparative negligence.

6 26. In the further alternative, and only in the event that it is determined that
7 Plaintiff is entitled to recover against Defendants, recovery should be reduced in proportion to
8 the degree or percentage of negligence, fault or exposure to products attributable to Plaintiff,
9 any other defendants, third-party defendants, or other persons, including any party immune
10 because bankruptcy renders them immune from further litigation, as well as any party, co-
11 defendant, or non-parties with whom Plaintiff has settled or may settle in the future.

12 27. Should Defendants be held liable to Plaintiff, which liability is specifically
13 denied, Defendants would be entitled to a setoff for the total of all amounts paid to Plaintiff
14 from all collateral sources.

15 28. Plaintiff's claims may be barred, in whole or in part, from seeking recovery
16 against Defendants pursuant to the doctrines of res judicata, collateral estoppel, release of
17 claims, and the prohibition on double recovery for the same injury.

18 29. The injuries and damages allegedly sustained by Plaintiff may be due to the
19 operation of nature or idiosyncratic reaction(s) and/or pre-existing condition(s) in Plaintiff
20 over which Defendants had no control.

21 30. The conduct of Defendants and all activities with respect to the subject product
22 have been and are under the supervision of the Federal Food and Drug Administration
23 ("FDA"). Accordingly, this action, including any claims for monetary and/or injunctive relief,
24 is barred by the doctrine of primary jurisdiction and exhaustion of administrative remedies.

25 31. Defendants assert any and all defenses, claims, credits, offsets, or remedies
26 provided by the Restatements (Second and Third) of Torts and reserve the right to amend
27
28

1 their Answer to file such further pleadings as are necessary to preserve and assert such
2 defenses, claims, credits, offsets, or remedies.

3 32. The device at issue complied with any applicable product safety statute or
4 administrative regulation, and therefore Plaintiff's defective design and warnings-based
5 claims are barred under the Restatement (Third) of Torts: Products Liability § 4, *et seq.* and
6 comments thereto.

7 33. Plaintiff cannot show that any reasonable alternative design would have
8 rendered the inferior vena cava filter device as alleged in Plaintiff's Complaint to be safer
9 overall under the Restatement (Third) of Product Liability § 2, cmt. f, nor could Defendants
10 have known of any alternative design that may be identified by Plaintiff.

11 34. The device at issue was not sold in a defective condition unreasonably
12 dangerous to the user or consumer, and therefore Plaintiff's claims are barred under the
13 Restatement (Second) of Torts: Products Liability § 402A and comments thereto, and
14 comparable provisions of the Restatement (Third) of Torts (Products Liability).

15 35. At all relevant times during which the device at issue was designed, developed,
16 manufactured, and sold, the device was reasonably safe and reasonably fit for its intended
17 use, was not defective or unreasonably dangerous, and was accompanied by proper warnings,
18 information, and instructions, all pursuant to generally recognized prevailing industry
19 standards and state-of-the-art in existence at the time.

20 36. Defendants specifically plead all affirmative defenses under the Uniform
21 Commercial Code ("UCC") now existing or which may arise in the future, including those
22 defenses provided by UCC §§ 2-607 and 2-709.

23 37. Plaintiff's alleged damages, if any, should be apportioned among all parties at
24 fault, and any non-parties at fault, pursuant to the Uniform Contribution Among Tortfeasors
25 Act.

26 38. No act or omission of Defendants was malicious, willful, wanton, reckless, or
27 grossly negligent, and, therefore, any award of punitive damages is barred.

1 39. To the extent the claims asserted in Plaintiff's Complaint are based on a theory
2 providing for liability without proof of defect and proof of causation, the claims violate
3 Defendants' rights under the Constitution of the United States and analogous provisions of
4 the New Mexico Constitution.

5 40. To the extent Plaintiff seeks punitive damages, Defendants specifically
6 incorporate by reference any and all standards of limitations regarding the determination
7 and/or enforceability of punitive damages awards that arose in the decisions of *BMW of*
8 *No. America v. Gore*, 517 U.S. 559 (1996); *Cooper Industries, Inc. v. Leatherman Tool*
9 *Group, Inc.*, 532 U.S. 424 (2001); *State Farm Mut. Auto Ins. Co. v. Campbell*, 123 S. Ct.
10 1513 (2003); and *Exxon Shipping Co. v. Baker*, No. 07-219, 2008 U.S. LEXIS 5263 (U.S.
11 June 25, 2008) and their progeny as well as other similar cases under both federal and state
12 law.

13 41. Any of Plaintiff's claims for punitive or exemplary damages violate, and are
14 therefore barred by, the Fourth, Fifth, Sixth, Eighth and Fourteenth Amendments to the
15 Constitution of the United States of America, and similar provisions of the New Mexico
16 Constitution, on grounds including the following:

- 17 (a) it is a violation of the Due Process and Equal Protection Clauses of the
18 Fourteenth Amendment of the United States Constitution to impose punitive
19 damages, which are penal in nature, against a civil defendant upon the plaintiffs
20 satisfying a burden of proof which is less than the "beyond a reasonable doubt"
21 burden of proof required in criminal cases;
- 22 (b) the procedures pursuant to which punitive damages are awarded may result in
23 the award of joint and several judgments against multiple defendants for
24 different alleged acts of wrongdoing, which infringes upon the Due Process and
25 Equal Protection Clauses of the Fourteenth Amendment of the United States
26 Constitution;
- 27
28

1 (c) the procedures to which punitive damages are awarded fail to provide a
 2 reasonable limit on the amount of the award against Defendants, which thereby
 3 violates the Due Process Clause of the Fourteenth Amendment of the United
 4 States Constitution;

5 (d) the procedures pursuant to which punitive damages are awarded fail to provide
 6 specific standards for the amount of the award of punitive damages which
 7 thereby violates the Due Process Clause of the Fourteenth Amendment of the
 8 United States Constitution;

9 (e) the procedures pursuant to which punitive damages are awarded result in the
 10 imposition of different penalties for the same or similar acts, and thus violate
 11 the Equal Protection Clause of the Fourteenth Amendment of the United States
 12 Constitution;

13 (f) the procedures pursuant to which punitive damages are awarded permit the
 14 imposition of punitive damages in excess of the maximum criminal fine for the
 15 same or similar conduct, which thereby infringes upon the Due Process Clause
 16 of the Fifth and Fourteenth Amendments and the Equal Protection Clause of the
 17 Fourteenth Amendment of the United States Constitution;

18 (g) the procedures pursuant to which punitive damages are awarded permit the
 19 imposition of excessive fines in violation of the Eighth Amendment of the
 20 United States Constitution;

21 (h) the award of punitive damages to the plaintiff in this action would constitute a
 22 deprivation of property without due process of law; and

23 (i) the procedures pursuant to which punitive damages are awarded permit the
 24 imposition of an excessive fine and penalty.

25 42. Defendants expressly reserve the right to raise as an affirmative defense that
 26 Plaintiff has failed to join all parties necessary for a just adjudication of this action, should
 27 discovery reveal the existence of facts to support such defense.
 28

43. Defendants reserve the right to raise such other affirmative defenses as may be available or apparent during discovery or as may be raised or asserted by other defendants in this case. Defendants have not knowingly or intentionally waived any applicable affirmative defense. If it appears that any affirmative defense is or may be applicable after Defendants have had the opportunity to conduct reasonable discovery in this matter, Defendants will assert such affirmative defense in accordance with the Federal Rules of Civil Procedure.
